## Generative AI Consultant

### Description

As a Generative AI Consultant, you'll bridge the gap between AI technology and business solutions. Engage with clients, understand their challenges, and propose AI-driven solutions to transform their operations.

### Responsibilities

- Engage with clients to understand and document their business needs.
- Propose and design generative AI solutions tailored to client requirements.
- Collaborate with the development and product teams to ensure successful solution implementation.
- Stay abreast of the latest advancements in generative AI.
- Conduct workshops and training sessions for clients.

### Hiring organization

Genow

### Employment Type

Part-time, Intern, Work Study

### Job Location

Darmstadt / Frankfurt, Hessen, Germany
