Product Owner

Description

As a Product Owner, you'll be the vision bearer for our products. Collaborate with stakeholders, understand market needs, and guide the development team to deliver impactful solutions.

Responsibilities

- Define, prioritize, and refine product backlog items.
- Collaborate with stakeholders to gather and clarify requirements.
- Work closely with the Scrum Master and development team to ensure a shared understanding of backlog items.
- Accept or reject work results at the end of each sprint.
- Monitor market trends and adjust product strategies accordingly.

Hiring organization

Genow
